Fixed Shell Business and  
Premium+ Economy

**Main data**  
2022.06

*A/C platforms*  
*Airbus SA/LR families*  
*Boeing SA/LR families*

Designed around  
comfort it also  
facilitates easy  
configuration for  
different aircraft types.

Forma is a new member of the family of seats generated from the Geven / Priestmangoode partnership designed for comfort.

The brand-new fixed shell Forma is a short haul Business Class and a long haul Premium+ Class seat which places passenger experience and comfort at the heart of the design.

Contemporary and sculptural wrap around details define personal space and offer enhanced privacy.

A stylish and widely accessorized seat, featuring an elevated comfort in each of the option.

The innovative structural design of the seat has enabled a considerable weight reduction, supporting efficiency and sustainability.

Conceived for catering to the needs of the wide body cabin, Forma donates an optimal ergonomic position, generous stowage spaces and the possibility of accommodating the largest available video screens.

# Forma

Outstanding legroom and passenger space starting from **38" pitch**

Integrated class-leading monitor up to 20"

Easily configurable for different aircraft types

Privacy offered at different option levels

—

A PriestmanGoode-Geven creation

## design

Contemporary and sculptural wrap-around detail to define personal space and offer more privacy.

Customization options according to airline brand requirements. Improved passenger comfort and experience which enable airlines to differentiate their offering and create revenue opportunities as passengers increasingly look to personalize their journeys.

Forma can work as Business Class on short haul or Premium Economy on long-haul. The features allow airlines to differentiate cabins and support revenue models.
